

To All High School Principals, Teachers, and Counselors:

This letter is to invite you and your students to the 11th annual Game Development College Fair at SIEGE on Oct. 5, 2017. The college fair includes numerous opportunities for students to meet representatives from a wide variety of colleges and universities. In addition, we continue the SIEGE tradition of STEM and STEAM sessions aimed at developing the skills students need to bring their own visions to life.

Please take a moment to review this excellent opportunity to engage your students with information about careers and college programs for the new digital and interactive world. Past exhibitors have included Georgia Tech, SCAD, SMU, KSU, Florida Interactive Entertainment Academy, Georgia Southern, Columbus State, Middle Georgia State, Gwinnett Tech, Western Piedmont Tech, AIA, and many more. Presenters have included Electronic Arts, Microsoft, Turner and others.

We've made specific considerations to accommodate your staff and students:

- A micro-schedule of fun and informative events on **Thursday, Oct. 5, 9am-1pm** to fit your regular school day and bussing schedules;
- An inspiring track of sequential presentations to keep your students together;
- Dedicated staff members to help students stay on track; and
- Full access to our College Fair expo hall to let students explore specific interests.

We hope that you can join us for this event. It's going to be an exciting day.

Respectfully,

Andrew Greenberg

Andrew Greenberg
President
Georgia Game Developers Association, Inc.
